

Inspiration Healthcare Group plc
("Inspiration Healthcare" or the "Company")

Growth & Innovation Forum 2019

Inspiration Healthcare Group plc (AIM: IHC), a global supplier of medical technology for critical care, operating theatre and other medical applications, announces it will be exhibiting at the Growth & Innovation Forum 2019 on Tuesday 29 January at the Business Design Centre, London.

Members of Inspiration Healthcare's management team will be at stand 6 throughout the day and Neil Campbell, CEO, will be presenting at 12.45pm in the Flowers Room.

This is a one-day investor event exhibiting companies focussed on growth and technology, attracting both institutional and retail investors. For further information, please visit the event website at:

<https://www.sharesmagazine.co.uk/events/event/growth-innovation-forum-2019-1>

The presentation will be available on the Company website shortly after the event at:

www.inspiration-healthcare.com

If you are interested in attending the presentation and would like information on how to register, please contact Alex Walters at Cadogan PR at: alex.walters@cadoganpr.com

No new material information will be disclosed at the event.

About Inspiration Healthcare

Inspiration Healthcare (AIM: IHC) is a global supplier of medical technology for critical care, operating theatre and other medical applications. The Company provides high quality innovative products to patients and caregivers around the world that help to improve patient outcomes and efficiencies of healthcare organisations with patient focused customer service and technical support.

The Company's own brand of critical care solutions span non-invasive respiratory management, thermoregulation and diagnostics, and patient warming for newborns through to adults in intensive care and the operating theatre, whilst the distribution business supplies solutions to support specialised surgical procedures and infusion therapies.

Present in over 50 countries worldwide, Inspiration Healthcare's success has been built on continuous innovation, excellent customer service and an inherent commitment to improving the quality of life of patients, working in close collaboration with key opinion leaders and stakeholders in the clinical and medical community across the globe.
