

14 August 2017

Inspiration Healthcare Group plc

(“Inspiration Healthcare” or the “Company”)

Investors Open Day

Inspiration Healthcare Group plc (AIM: IHC), the global medical device company, is pleased to announce that it is holding an open day for investors and investment analysts at the company’s headquarters at 2 Satellite Business Village, Fleming Way, Crawley, West Sussex, RH10 9NE on Tuesday 3 October 2017. The day will start at 10.30am and run until approximately 2pm.

The event will allow participants to see some of the latest equipment developed by Inspiration Healthcare as well as the opportunity to meet with senior directors and the marketing and sales teams. There will also be a presentation from the Chief Executive Officer Neil Campbell, Chief Financial Officer Mike Briant and Group Sales Director Toby Foster to give an overview of the latest developments at the Company. This will be followed by a buffet lunch.

The nearest train station to the company’s headquarters is Gatwick Airport from which it is approximately a five minute taxi ride. Trains leave Victoria station in London for Gatwick approximately every 20 minutes.

We kindly request that if you wish to attend that you can confirm this by email to alex.walters@cadoganpr.com so that we have an idea of numbers in advance.

About Inspiration Healthcare

Inspiration Healthcare (AIM: IHC) is a global supplier of medical technology for critical care, operating theatre and other medical applications. The Company provides high quality innovative products to patients and caregivers around the world that help to improve patient outcomes and efficiencies of healthcare organisations with patient focused customer service and technical support.

The Company's own brand of critical care solutions span non-invasive respiratory management, thermoregulation and diagnostics, and patient warming for newborns through to adults in intensive care and the operating theatre, whilst the distribution business supplies solutions to support specialised surgical procedures and infusion therapies.

Present in over 50 countries worldwide, Inspiration Healthcare's success has been built on continuous innovation, excellent customer service and an inherent commitment to improving the quality of life of patients, working in close collaboration with key opinion leaders and stakeholders in the clinical and medical community across the globe.
